Our Belief in sustainable cultivation and processing practices — and our responsibility towards our community and environment — is driven by the core conviction that anyone who can benefit from safe, regulated access to medical cannabis should have it.

“
 The **combination of services** that AmeriCann provided our company – cannabis expertise in conjunction with significant capital, is **unprecedented** in this industry.”
 – **Justin Anderson**
Managing partner of Nature’s Own Wellness Center, an AmeriCann Preferred Partner

PREFERRED PARTNER PROGRAM MISSION STATEMENT

AmeriCann supports **local businesses** to serve cannabis patients in their communities.

Learn more about the AmeriCann **Preferred Partner Program** and how we help entrepreneurs in regulated medical cannabis markets.

Forward Looking Statements: This documents contains statements related to our future business and financial performance and future events or developments that may constitute forward-looking statements. These statements may be identified by words such as “expect,” “look forward to,” “anticipate” “intend,” “plan,” “believe,” “seek,” “estimate,” “will,” “project” or words of similar meaning. Such statements are based on the current expectations and certain assumptions of the Company, of which many are beyond AmeriCann’s control. These are subject to a number of risks, uncertainties and factors, particularly those that relate to governmental regulations.

AmeriCann, Inc. develops, owns and supports **advanced medical cannabis facilities** in multiple states.

We support **local businesses** that seek to serve cannabis patients in their communities.

In an effort to advance the quality of medical cannabis & to promote greater access for patients, we have initiated the **AmeriCann Preferred Partner Program**.

The company provides an **essential set of resources** including advanced cultivation facilities, access to a team of experts and, in certain cases, capital for our partners' businesses.

AREAS PROVIDED FOR PREFERRED PARTNERS

CULTIVATION EXPERTISE

REAL ESTATE DEVELOPMENT

CAPITAL

LICENSE PROCUREMENT

EXPERTISE & EXPERIENCE

The Company's management team and advisors have an exceptional range of expertise and skills that assist AmeriCann's partners in many essential areas

CULTIVATION FACILITIES

AmeriCann designs, builds and delivers very specialized facilities to produce the best possible medicine in the most efficient manner utilizing the most advanced, sustainable practices.

QUALITY CURRENT PROJECTS

The Company has projects in several of the most attractive markets in the country with over 1 million square feet in development.

ACCESS TO CAPITAL

One of the biggest challenges facing medical cannabis providers is a lack of capital. As traditional financing sources are often unavailable, AmeriCann can provide essential funding to make the delivery of medicine to patients a reality.

INFUSED MEDICAL PRODUCTS

AmeriCann provides its partners with a premier family of nutraceutical grade infused products that provide greater choice and options for their patients.

AmeriCann's purpose is to **fuel the growth** of the medical cannabis industry and to **eliminate barriers** for our partners to succeed.

AmeriCann provides an **unmatched combination** of resources for our partners.

AmeriCann assists partners with the identification, design, permitting, acquisition, development and operation of scale-able infrastructure to **limit product shortfalls** in newly regulated markets. This ensures patients have reliable access to medical cannabis.

@AmeriCann

AmeriCann does not cultivate, process, distribute or sell cannabis. Rather, we assist local partners to obtain licenses, to cultivate medicine and to provide important medicine to patients.
